D'Vinci is a Champion. We expect this bull to prove to be a Master of Beefmasters. His sire was the #1 indexing and grading bull in the 2007 Beef on Forage Performance Test. This son has proven that these genetics are inheritable since D'Vinci won the same honor in 2009 in his own performance test. He went to work on a small pasture of open heifers the day he arrived on our ranch. He is being used in the Spring 2010 ranch breeding season then we will CSS collect semen available for export about June 2010.
